

NATIONAL AVIATION DAY

SUNDAY, AUGUST 19TH

Join us and other aviation museums across the country celebrating National Aviation Day on Sunday, August 19th! The Yankee Air Museum will have FREE Admission to the Museum this day!

National Aviation Day was issued as a Presidential Proclamation in 1939 by President Roosevelt to commemorate the anniversary of Orville Wright's birthday! Come down to the museum to celebrate our national aviation history and celebrate our national accomplishments in the aviation industry! We hope to see you there!
