INTERACTIVE PROGRAM  
**DORÉ PRODUCTIONS**

# ORVILLE & KATHARINE WRIGHT

## INTERACTIVE PROGRAM

Meet the man who with his brother Wilbur built the world's first manned aircraft and his sister who managed their social and business affairs. Go back to 1925 and interact with two members of the Wright family who were instrumental in building and promoting the world's first practical airplane.

Hear them answer questions about the origin of the airplane, how they promoted it around the world and built their Wright Aircraft Company. Learn about the Wright family, the untimely death of his brother Wilbur, and their private lives as they dealt with fame and fortune. Hear about their later accomplishments in promoting aviation.
